Elementary guidance	18-19

2020-21 CCR2 School Re-entry Wellness Guidelines

Rationale

CCR2 staff and administration recognize that all must respect the journey each other is on through this pandemic. The primary goal of initiating a re-entry plan is to keep students and staff healthy while providing a safe learning environment to the best of our ability.

Following is a list and description of precautions and protocols in effect during the 2020-21 school year. The emphasis is to open safely and remain open. To do so, an impetus is placed on prevention, containment, and contact tracing within several procedures implemented.

**Guidelines are subject to change based on developments within public health, conditions on campus, and requirements of health departments.*

***All guidelines will be re-evaluated and monitored on a regular basis for effectiveness and necessity.*

Definitions

- Close contact: Within 6' or less for 15 minutes or more.
- Direct exposure: Close contact and/or physical contact with individual having confirmed case of Covid-19.
- Secondary exposure: Close contact and/or physical contact with individual who has been directly exposed to another having confirmed case of Covid-19.
- Fever: Temperature of 100F or higher.
- Protective Face Covering (PFC): A mask that covers not more than the medically required areas of the face.
- “Safe to return” note: A physicians release on official stationary or letterhead stating the individual is not contagious and able to safely be at school.
- School-provided PFC: A laundered mask will be provided for a single day’s use.

Staff

1. Staff will self-assess prior to coming to work following the self-screening protocol.
2. If at work and get sick, staff will contact the nurse to come to their room to be evaluated and determination made.
3. All staff are required to provide a “safe to return” notice from their physician prior to return.
4. Regular handwashing and use of hand sanitizer will be expected.
5. Staff may wear a PFC at their discretion in the classroom.
6. All staff are required to wear a PFC during hallway transitions, when in the hallways with students, or within 3' of students. If a staff member does not have a PFC, a school PFC will be provided to them for that day.
7. Staff are NOT required to wear a PFC when:
 - a. 3' distancing is maintained.
 - b. While eating.

2020-21 CCR2 School Re-entry Wellness Guidelines

- c. When outside.
- d. Special situations occur with administrative approval.
8. All staff will wear their school ID badge at all times while on campus.
9. Food service staff will wear PFC's when serving food.
10. Staff screening students entering the building will wear a PFC.
11. Medical documentation is required if a situation exists where a staff member cannot wear a PFC. Alternative plans will be developed to ensure student and staff safety.
12. No personal guests or additional family members will be allowed to visit at school.
13. Guest speakers with an academic purpose will be screened prior to entry.
14. Teacher observations and evaluation will continue in Talent Ed Perform. The total number of observations has been reduced for this school year. The observation method may be adapted due to unforeseen and unavoidable circumstances.
15. Staff are required to report to their direct supervisor any instance of direct exposure or possible need for Covid-19 testing.

Students

1. Students will not enter the building prior to 7:40 AM nor without being screened.
 - a. 1st bus load students will enter at 7:35 AM to be screened.
2. Students will be screened at the door following the entry process.
 - a. High school will have 2 entrances.
 - b. Middle school will use 3 entrances (2 for buses, 2 for parents).
 - c. Elementary will use 3 entrances (2 for buses, 1 for parents).
3. Seating charts will be developed in all classrooms.
4. If become ill at school, the student will move to a designated "sick chair" near the classroom door and wait to be evaluated by the nurse.
5. Regular handwashing and use of hand sanitizer will be required.
6. Students may wear a PFC in the classroom at the discretion of parents &/or students.
7. Students, K-12th, are required to wear a PFC during hallway transitions and when in the hallways with other students.
8. 3rd -12th student must wear a PFC when 3' distancing cannot be maintained in the classroom.
9. Students are NOT required to wear a PFC when:
 - a. 3' distancing is maintained.
 - b. While eating.
 - c. When outside.
 - d. Special situations occur with administrative approval.
10. If a student does not have a PFC, a school PFC will be provided to them for that day.
11. If a situation exists where a student cannot wear a PFC due to medical/health issues, an alternate plan will be developed for the student to safely transition from class-to-class and remain distanced from other students. *Medical documentation is required.

2020-21 CCR2 School Re-entry Wellness Guidelines

12. Refusal to wear a PFC will be considered defiance or noncompliance. Reference the applicable student handbook for details.
13. Attendance will be reviewed to monitor absenteeism patterns. However, attendance incentives will not be available. This will be reflected and consistent in student handbooks and teacher syllabi.
14. Students are encouraged to bring a water bottle. Water fountains will only be available for filling bottles but unavailable for drinks.

Learning Expectations

High quality, rigorous instruction and learning will continue through the 2020-21 school year. An impetus on student academics and progress continues. While students and staff are expected to maintain a 3' distance and follow re-entry guidelines to the extent possible, student engagement during rigorous instruction should remain high. Teachers are encouraged to use best practices to engage students.

1. High-quality, well-planned lessons following the EDI instructional model.
2. Facilitating collaboration with frequent, quality Checks For Understanding (CFUs).
3. Using interactive digital components.
4. Incorporate engagement norms such as think-pair-share, pronounce with me, gesture with me, whiteboards, etc.
5. Use a variety of resources and instructional formats.
6. Effectively pace instruction through formative assessment and progress monitoring.

Student-Family Alternative Education

Students enrolled in CCR2 but choosing to not attend on-campus classes have two options for learning facilitated by CCR2 staff.

1. MOCAP—
 - a. Students who wish to participate in the MOCAP program need to access the information and complete the application provided on the district's website.
 - b. CCR2 administration and staff review each request to determine best educational placement.
2. CCR2 On-line Learning option—
 - a. Students who wish to participate in distance learning from CCR2 need to communicate this to the building principal and complete the district application.
 - b. CCR2 administration and staff review each request to determine best educational placement.

Students participating in virtual or online learning cannot participate in and are not allowed to attend extra-curricular activities nor athletic events.

Activities and Athletics

1. CCR2 will follow recommendations and guidance of MSHSAA, the CDC, and Crawford County Health Center.

2020-21 CCR2 School Re-entry Wellness Guidelines

2. Only students attending on campus classes are eligible for co-curricular activities, extracurricular activities, and/or athletics.
3. CCR2 students participating in virtual or online learning are not allowed to attend co-curricular activities, extracurricular activities, and/or athletics.
4. Attendance capacity at school-sponsored events will be determined using the mass gatherings criteria provided by local, county, and state health department guidelines. *(Seating capacities will be dependent upon the venue and the most current information available.)*
5. All athletes and coaches will follow MSHSAA participation guidelines.
[\(GUIDELINES AND RECOMMENDATIONS FOR OPENING SPORTS/ACTIVITIES\)](#)
6. If an athlete has tested positive for Covid-19, he/she must be cleared for progression back to activity by an approved health care provider.
[\(MSHSAA COVID-19 Return to Play Form\)](#)
7. After-school activities including clubs follow the same guidelines as indicated for all other activities.

Buildings

1. Hand sanitizer stations will be placed at each student entrance.
2. Restrooms will be cleaned and disinfected prior to the start of school and a minimum of two times during the day. Cleaning logs will be kept by custodial for each restroom.
3. Recess areas and PE equipment will be cleaned and disinfected between each session.
4. Classrooms—
 - a. Will be cleaned and disinfected prior to the next day's use.
 - b. Any classroom that may have been contaminated or potentially exposed to Covid-19 while class is in session will be evacuated then thoroughly cleaned and disinfected prior to continued use.
 - c. An alternate clear classroom will be designated for use in classroom contamination situations.
 - d. Singular classroom equipment like pencil sharpeners or staplers should be addressed.
 - e. Students will remain spaced in classrooms by at least 3' when possible.
 - i. Tables must be clearly marked.
 - ii. Desks should be arranged.
 - f. Furniture that facilitates multiple students such as benches, bean bags, and couches will be removed.
 - g. 4th-12th teachers, elementary specials, and special services will be expected to disinfect desks and chairs between each group of students.
5. Visitors will not be allowed entrance without specific school business.
 - a. Appointments should be made to ensure availability of staff.
 - b. Office staff will screen all visitors prior to entry into the building.
 - c. Parents will only be allowed to escort their student to class on the 1st morning.

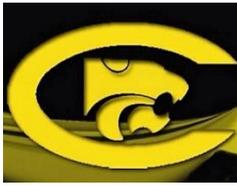

2020-21 CCR2 School Re-entry Wellness Guidelines

6. Parent pick-up will take place outside of the building.
7. Classroom materials will be individually maintained and/or disinfected between uses.
8. School-provided PFC's will be distributed and collected daily.
 - a. School masks will be laundered daily.
9. Room logs will be kept.
10. All offices will keep a sign-in/-out log with name, date, time, and reason.

Transportation

1. Parents are encouraged to consider transporting their students daily to and from school.
2. Bus drivers will wear a PFC while on route and within 3' of students.
3. Students will be assigned seats by family and bus stop.
4. An open seat in the front will remain unoccupied for sick children and social distancing when possible.
5. Bus routes will be established for each child upon enrollment.
 - a. A child may ride a different bus AM and PM if predetermined at enrollment.
 - b. A child may ride a different bus by day or week if predetermined at enrollment.
 - c. Temporary switching of routes, 4 or fewer consecutive days, will not be allowed.
 - d. With advance notification and parental request in writing, a student's route may be changed for 5 or more consecutive days.
 - e. Students may be picked up or dropped off at school at the parent's discretion.
 - f. Students living south of the railroad tracks & west of Hwy 19 must find their own means of transportation.
6. All students will be required to wear a PFC while riding.
 - a. Student may provide their own.
 - b. Driver will provide one for them.
 - c. A school provided mask will be returned prior to exiting the bus at the end of the day.
7. School drop-off procedures—
 - a. Buses will drop off 1st load (4 buses) no earlier than 7:35 AM. All other routes drop off no earlier than 7:40 AM.
 - b. Buses will pull up to the open building entrance, either west or east entrance.
 - c. Buses will be signaled to unload.
 - d. Students will be dismissed from seats in an orderly, singular fashion.
 - e. Students will move directly to student screening lines.
8. School pick-up procedures—
 - a. Buildings and grade-levels will have staggered release times.
 - b. Students will be checked in to ensure PFC is worn.
 - c. Students will be seated in their assigned seats.
9. School-provided PFC's will be distributed and collected daily.
 - a. School masks will be laundered daily.
10. Buses will be disinfected between each route; 2X's per day.

2020-21 CCR2 School Re-entry Wellness Guidelines

11. A daily bus log will be kept.

Meal Services

1. Breakfast will be served grab 'n go style and delivered to the classrooms at 7:55 AM.
 - a. At 7:50 AM, classroom teachers will use a class roster to give breakfast count.
 - i. Highlight each student name receiving a breakfast.
 - b. Place roster in tub outside of classroom door.
 - c. Kitchen staff will leave the # of breakfasts indicated in the tub.
 - d. Cashier will input student codes from roster for count & reimbursement.
 - e. Custodians will pick-up breakfast trash bags around 8:25.
2. Keypads will be removed from cafeteria registers.
 - a. Students will scan their ID card.
 - b. Students may provide their ID number to the cashier.
3. Students will eat lunch in the cafeteria or classroom by week.
 - a. Classroom lunch service procedures—
 - i. A weekly rotation will be established in each building.
 - ii. Students 2nd – 12th will go through the meal service lines to obtain their 'to-go' meals in a re-usable clam-shell tray.
 1. 2nd – 12th students will be served as they go through the line by class.
 - iii. Students K-1 will receive their meals in the classroom.
 1. An elementary lunch count will be taken daily.
 - a. Lunch counts will be placed on the breakfast roster.
 - b. Information will include the total # of 'to-go' meals, main entree and milk flavor preferred.
 - iv. Classes will be staggered to maintain social distancing.
 - v. Used clam-shell trays will be stacked in the teacher tub and placed outside the room.
 - vi. Custodial will pick up tubs and return to cafeteria for cleaning.
 - vii. Teachers will pick up cleaned tubs before the start of school each day.
 - b. Cafeteria lunch service procedures—
 - i. Students will follow the social spaced markings as they enter the cafeteria.
 - ii. Silverware will be placed on tray in advance.
 - iii. The meal will be served on the tray by food service staff.
 - iv. Various smaller items will be pre-packaged to reduce handling.
 - v. Milk and napkin will be placed on the tray.
 - vi. Students will sit at a designated socially-distanced seat.
 - vii. Students will be dismissed in an orderly, distanced manner.
 4. Tables and seats will be cleaned and disinfected between grade level changes.
 5. No sharing table and no sharing of food will be allowed.

2020-21 CCR2 School Re-entry Wellness Guidelines

6. All staff working during meal service times either in the kitchen or cafeteria including supervisors and cashiers will be required to wear a PFC.

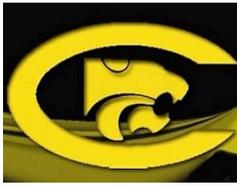

Covid-19 Case Response

Not all situations or scenarios can be anticipated; in situations where extenuating circumstances do not match the following, CCR2 will consult with local health officials and follow Missouri DHSS guidelines.

Confirmed Case

1. Identify close contacts and direct exposures made within previous 48 hours.
 - a. Note classrooms the positive case has been in.
 - i. Refer to seating charts and logs.
 - b. Note if positive case individual rode a bus or not.
 - c. Track all locations the positive case student has been too in past 48 hours.
2. Address student / adult exclusions of confirmed case.
 - a. 10-day quarantine.
 - i. From date of positive test &/or symptoms onset.
 - ii. Monitor symptoms of identified: fever (100F or higher), unexplainable cough, shortness of breath, loss of taste.
 - iii. Symptoms have resolved including no fever (100 F) for 24 hours without fever reducing medication, improvement of other symptoms (cough, shortness of breath, loss of taste, etc).
3. Address student / adult exclusions due to direct exposure.
 - a. 14-day quarantine.
 - i. From the last date of exposure.
 - ii. Monitor symptoms: fever (100F or higher), unexplainable cough, shortness of breath, loss of taste.
4. Identify secondary exposures from within previous 48 hours.
 - a. Notify parents / students / staff that have been secondarily exposed.
 - b. Monitor symptoms of identified: fever (100F or higher), unexplainable cough, shortness of breath, loss of taste.
 - i. If symptoms present, follow direct exposure exclusion process.
5. Communicate to relevant parties of the confirmed case. Refer to Covid-Case Communication flow chart (P).

(Student and/or staff names and any identifiable information are to remain confidential. Only confirmation of the confirmed case within a particular classroom will be provided.)
6. Identify facility contamination; perform targeted cleaning and disinfection.
7. Consult with the Health Department.
8. Monitor exposures, absenteeism, and student / staff symptoms to determine further actions.

2020-21 CCR2 School Re-entry Wellness Guidelines

Unconfirmed Case (Symptoms only)

1. Individual exhibiting potential symptoms will go home.
2. Individual will begin 14-day quarantine from onset of symptoms.
3. Individuals are encouraged to:
 - a. Contact physician.
 - b. Monitor symptoms.
 - c. Complete Covid-19 test.
4. Return to school—
 - a. After 14-day quarantine and at least 24 hours without fever and no fever-reducing medication.
 - b. After 14-day quarantine and all other symptoms have improved.

OR
 - c. A doctor may issue a “safe to return” note that can void the 14-day quarantine.
 - i. Note is on official doctor’s stationary.
 - ii. Note indicates a diagnosis of an alternate illness (ie. strep throat, bronchitis, influenza, etc).

**Staff are required to report to their direct supervisor any instance of direct exposure or possible need for Covid-19 testing.*

***Parents &/or students are strongly encouraged to report any instance of direct exposure or possible need for Covid-19 testing to their building principal.*

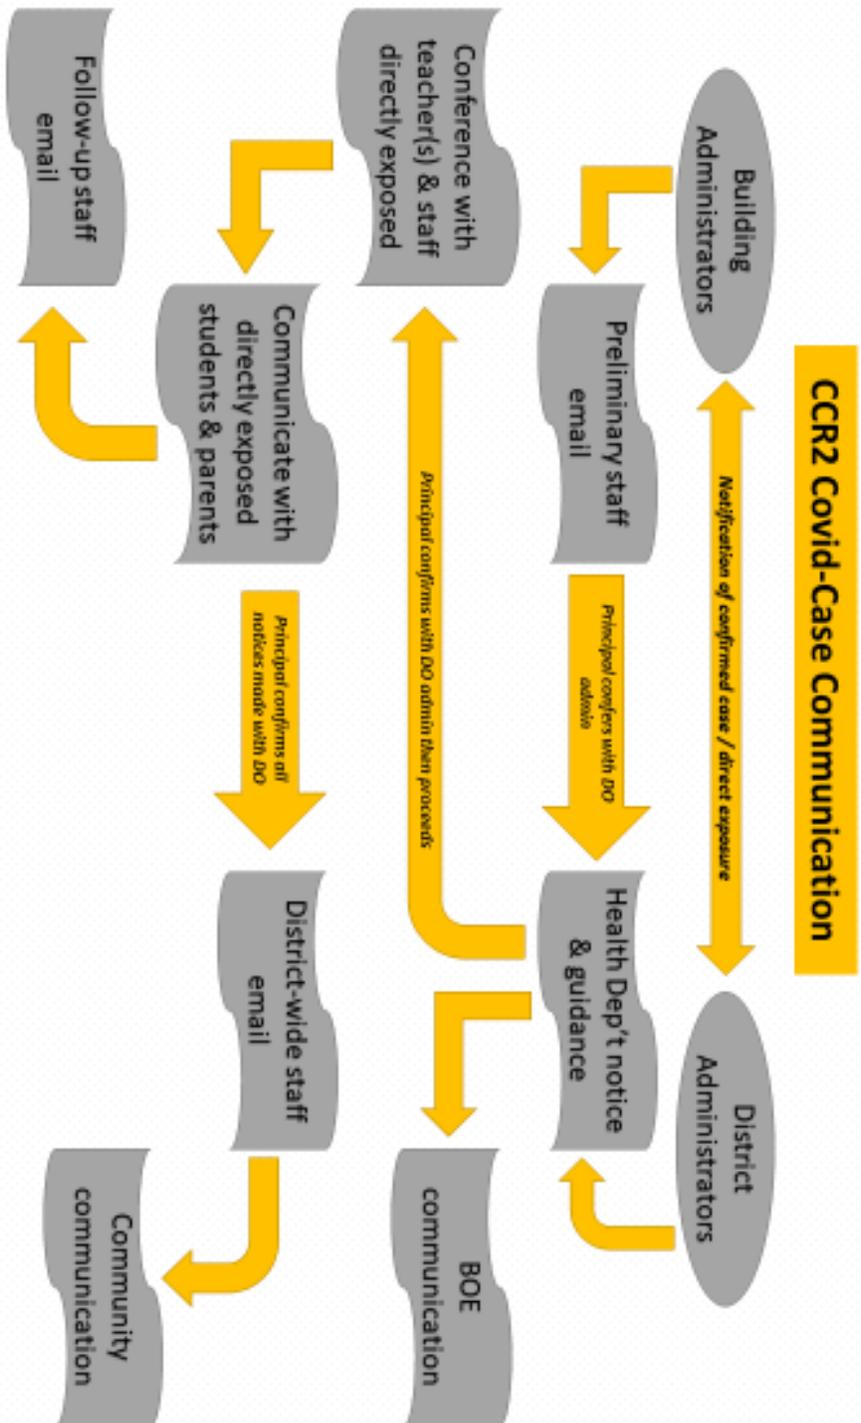

****Varying situations and circumstances may warrant deviation or additional guidelines to ensure the health and wellness of those involved.*

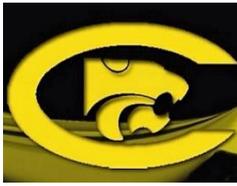

[CDC guidance](#)

2020-21 CCR2 School Re-entry Wellness Guidelines

2020-21 CCR2 School Re-entry Wellness Guidelines

Faculty/Staff Self-Screening Process

All faculty/staff members will:

1. Complete self-screening prior to entering the school.
2. Use hand sanitizer upon entry.
3. Sign in at the main office daily.

Employee self-screening process:

1. Each day, go through protocol to check.
2. If all criterion is negative, come to work.
3. If criterion is met:
 - a. Do not come to school.
 - b. Contact your direct supervisor of your absence.
 - c. Go to the doctor to be tested and/or checked.
 - d. Gain written documentation that you are 'safe to return to work'.

Employee self-screening protocol:

- A. Minor symptoms—If exhibiting 2 or more of these symptoms, staff should stay home.
 - i. Unexplainable cough
 - ii. Excessive sinus congestion
 - iii. Shortness of breath / chest pressure
 - iv. Nagging headache
 - v. Muscle or body aches
 - vi. Sore throat
 - vii. New loss of taste or smell
- B. Major symptoms—If exhibiting any 1 of these symptoms, staff should stay home.
 - i. Nausea, vomiting, &/or diarrhea? If yes, consider positive.
 - ii. Fever
 1. Temperature check process:
 - a. If temperature is 100 or above wait for 2-3 minutes and check again.
 - b. If still 100 or above on 2nd attempt, stay home.

Employee must have a note from physician or clinic stating they are okay to return to school.

Employee illness during day:

If employee feels ill or feverish during school day, step outside their classroom and call for nurse to come assess them.

- a. If nurse determines employee needs to go home, they need to put on a mask and exit building at nearest exit.
- b. Employee will need to contact their personal doctor for an evaluation.
- c. All students in that classroom will be evaluated and monitored throughout the day.
- d. Classroom will be completely disinfected according to CDC guidelines.
- e. Employee will need written documentation of 'safe to return to work'.

2020-21 CCR2 School Re-entry Wellness Guidelines

Student Screening Process

Entry steps—

1st Each student will apply their PFC.

2nd Students will use hand sanitizer upon entry.

3rd Every student will be screened by an assigned staff person.

4th Students will proceed directly to their classroom.

Screening process:

1. Symptoms observation—
 - a. Minor symptoms:
 - i. Unexplainable cough
 - ii. Excessive sinus congestion
 - iii. Shortness of breath / chest pressure
 - iv. Nagging headache
 - v. Muscle or body aches
 - vi. Sore throat
 - vii. New loss of taste or smell
 - b. If 2 or more of these symptoms, call for the nurse to come assess.
2. Temperature check:
 - a. If temperature is 100 or above wait for 2-3 minutes and check again.
 - b. If still 100 or above student will put on mask and sit in isolation chair. Call for nurse to come assess.
 - i. Nurse will check temp, check oxygen level, and listen to lung sounds. If all are normal, student may go to school.
 - ii. If temp is still 100 or above and/or nurse determines any respiratory difficulty, student remains in isolation chair until parent arrives to pick them up.
 - iii. After student leaves, isolation area must be thoroughly disinfected per CDC guidelines before anyone can enter the area.
3. Student must have a note from physician stating they are okay to return to school. (*See Covid-19 case response.*)
4. During school day if student exhibits respiratory difficulty or appears to have a fever move student to outside of classroom door and call for nurse.
 - a. Nurse will assess student in hallway.
 - b. If student needs to go home student will put on a mask and walk to isolation chair.
5. Identified classrooms &/or isolation chairs will be disinfected according to CDC guidelines.

2020-21 CCR2 School Re-entry Wellness Guidelines

High School Guidance

1. Students will not be allowed in the building until 7:40 AM.
2. There will be 2 entrances:
 - a. Main Entrance into Commons
 - b. South Hall from Student Parking
3. All Students will be screened upon entry.
4. Students will report directly to their 1st period class.
5. Students will be required to wear a PFC in the halls at all times.
6. Breakfast will be delivered to the 1st period class.
7. It is recommended that students have their own, personal water bottle. Water fountains will only be available for refilling bottles. Drinking directly from the fountain will be prohibited.
8. Students working in groups or within 3 feet of the teacher will be required to wear a PFC. Otherwise PFC's will not be required in the class.
9. If students do not have a PFC for the day, one will be provided. It must be turned in at the end of the day upon exiting the building.
10. See Handbook for appropriate PFC guidelines (no bandanas).
11. While transitioning from class to class, student must walk on their right.
12. Students entering any of the offices (counselor, principal, etc) will be required to wear a mask.
13. Students will not be allowed to get into another student's vehicle after arriving at school.
14. Students must notify a teacher or administrator if they are feeling ill.
15. Lunches will be divided in half. Half will eat in the commons, while the other half eats in their 4th period class. This will alternate weekly.
16. Students may not congregate at the end of the day.

2020-21 CCR2 School Re-entry Wellness Guidelines

CMS Guidance

Students

Our learning day begins at **8:00 AM** and ends at 2:55 PM.

Doors open and screening begins at 7:40 AM.

Students will be screened at the Gym lobby (buses only), front entrance and central office doors following the entry process. Parents can only drop off at the main office entrance and at central office.

Students will go directly to their 1st hour class following screening.

Breakfast

Breakfast will be served in the classroom.

Teachers will place a classroom tub with a breakfast count in the hall by 7:50 AM.

Breakfast will be served beginning at 7:55 AM.

Trash should be set in the hall for custodial pick up by 8:30 AM.

Activities and Athletics

After-school activities, including clubs, follow the same guidelines as indicated for all other activities.

Athletes who have equipment bags will take them to the locker room upon arrival to school. Students who are staying for an after school activity are expected to wear their PFC's while in transition and report directly to that activity.

Building

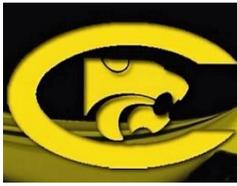

Each student will be issued a laptop for school use. Students will be allowed to take these back and forth to school. Students and parents must sign the 1:1 technology agreement before a laptop is issued.

Teachers will record the barcode number for each laptop assigned. This roster must be submitted to the Library-Media Specialist to place in the computer. Students will be responsible for any damage to the laptop or loss of charger. (See district 1:1 technology policy on the school website).

Restrooms will not be used during passing time.

Students will be released from class to use the restroom. No more than 1 male and 1 female can be released from a classroom at a time. Special circumstances will be handled accordingly.

Students are expected to walk on the right side of the hallway when walking to and from class.

2020-21 CCR2 School Re-entry Wellness Guidelines

Visitors will not be allowed entrance without specific school business.

- a. Appointments should be made to ensure availability of staff.
- b. Office staff will screen all visitors prior to entry into the building.
- c. Parents will only be allowed to escort their student to class on the 1st morning.
 - i. These parents will be screened and a PFC must be worn.
- d. Parents/family members cannot eat lunch with their students. They may, however, drop off lunches at the office window for their child. Any group treats must be pre-packaged and dropped off at the office window.

Students are encouraged to provide their own PFC.

School-provided PFC's will be distributed and collected daily.

School issued PFC's will be laundered daily.

- i. Parent pick-up and walkers will discard their school issued PFC's in the bins located at each exit (front office, gym lobby, and central office).
- ii. Students who ride the bus will discard their PFC's with the driver upon exiting the bus.
- iii. Coaches and club sponsors will collect school issued PFC's when no longer needed.
- iv. PFC collection tubs will be disinfected daily.

At the end of the day students will be dismissed by grade level with a bell. We will start with PPU/walkers, 8th grade, 7th grade, 6th grade, and 5th grade.

Students are expected to exit the building promptly, unless they are staying for an after school activity. Then they should report directly to that activity.

Library

1. Teachers will not bring entire classes to the library, but will instead send only a maximum of four students at one time.
2. Bins will be available for student book return. Books will then remain in bins for five days before being checked out to another student.
3. There will be a Plexiglas barrier at the circulation desk.
4. The keypad for checkout will be removed and students will verbally give Mrs. Pollack their ID number.
5. Only three students at a time can be in line for book checkout.
6. Students will bring their own laptops rather than using library computers when possible.
7. Students will sit only two per table when all possible.
8. Students will sign-in when visiting the library for record keeping purposes.
9. There will be no large group presentations or trainings in the library. Teachers will need to schedule in advance if they want Mrs. Pollack to do research trainings, etc. with their

2020-21 CCR2 School Re-entry Wellness Guidelines

classes. Mrs. Pollack will close the library at the designated time and go to the teacher's classroom.

10. Mrs. Pollack will periodically sanitize chairs and tables.

Counselor

1. Students will not be allowed to “stop by” the counselor's office. They must fill out the Google Form provided at the beginning of the school year or tell their teacher they need to see Mrs. Perkins, then the teacher should call or e-mail. Mrs. Perkins will come to the student and take them to her office if necessary.
2. Students will need to wear a mask to the Counselor's office. They may remove the mask once they are in the room if they can maintain the 3 ft. distance requirement.
3. They will use hand sanitizer upon entering the room.
4. Classroom lessons will be held in the teacher's classroom during the year instead of Mrs. Perkins' conference room.
5. **Kindness groups will not convene until after 1st mid-quarter in order to assess how they may meet safely.**

Lunch Procedures

Students will eat in their classroom and/or the cafeteria on a weekly rotation.

Students eating in the classroom will sit at a socially-distanced space.

Teachers will walk their class to and from the cafeteria.

Students will go through the line as normal to receive their meal.

Student will take their meal back to the classroom to eat.

Once finished, trays will be placed in the classroom tub and placed in the hallway.

Students eating in the cafeteria will sit at a designated socially-distanced seat.

Students will sit with their Pride time class.

Students will be dismissed by Pride groups, in an orderly, distanced manner.

Teachers will walk their classes to and from the cafeteria.

Students who use the microwaves will be required to wear school provided gloves to be thrown away after use.

2020-21 CCR2 School Re-entry Wellness Guidelines

Elementary Guidance

Student Arrival

- Our learning day begins at **8:05 AM** and ends at 3:00 PM.
- **Doors open and screening begins at 7:40 AM.**
- Students will be screened at the bus drop off doors (buses only) and at the elementary office doors following the student entry process (P. 12).
- Students will go directly to their classroom following screening.
- **Parents will be allowed to walk students to class on the first day of school only.**
 - Protective face coverings will be required by both students and adults in the hallway.
 - We will have many smiling staff members to help our little ones get to class on the second day and beyond!

Breakfast

- Breakfast will be served in the classroom.
- Teachers will place a classroom tub with a breakfast count in the hall by 7:50 AM.
- Breakfast will be served beginning at 7:55 AM.
- Trash should be set in the hall for custodial pick up by 8:30 AM.

Parent Pick-Up

- Parent-Pick Up will take place outside of the elementary gym doors.
- Doors will open at 3:00 pm, and students will be called up to meet their ride home.
- Black dots have been spray painted on the concrete to help with social distancing. Please use these precautions when picking up your student.
- Please remember to have your parent pick-up card ready to show staff at the door!

Parties

- Classroom parties (Halloween, Christmas, and Valentine's Day) are still currently scheduled.
- Parties will not be open to families at this time.
- Any games, food, or activities will be scheduled through the classroom teacher and able to be dropped off at the elementary office.

Lunchroom

- Students will rotate weekly on eating in the cafeteria.
- One set of students will eat in the socially distanced cafeteria for a full week while the other set of students will eat in their classrooms.
- To-go trays will be used for students eating in classrooms if they do not bring their lunch.

Recess

- Students will have the opportunity for daily outdoor play time if weather permits.

2020-21 CCR2 School Re-entry Wellness Guidelines

- Each class will play in a separate, marked area from the other classes in the grade level.
- Classes will use a rotation featuring the playground and four grassy areas where playground balls will be available and sanitized after each class use.

Protective Face Coverings (PFC's)

- Students will be required to wear protective face coverings as described earlier in the “Student” section on page 2.
- Students will have places to hang their PFC's during recess and P.E that will ensure no contact.
- Students will keep their PFC's down during all other special area classes after hallway transitioning.
- If the PFC of choice is a neck gaiter it will be pulled down during allowed times. If the PFC is a facemask it will hang on a lanyard provided by the school.
- Students will move on the right side of the hallway during transitions.
- Students will keep one “paw print” of space (arm length) apart during transitions.
- Students who receive a PFC on the bus will drop the PFC off at the same bus.
- Students receiving a district issued PFC and are parent-pick up will drop their masks off as they leave the elementary gym at the end of the day.

Library

- Books will be scanned in by the librarian as students enter.
- Books will be placed on a portable bookcase or cart and remain untouched for 5 days before being returned to shelves for checkout.
- Students will choose from books set out by the librarian that are displayed on tables or the top of bookcases.
- If a student has a specific book they would like to check out, he or she can ask Mrs. Eaton for it and she will attempt to accommodate when possible.
- All lessons taught in the library will be done with the same social distancing rules as in the general classroom.

Classroom Disinfection

- Classrooms will be disinfected between each cohort of students learning in that area.
- 4th grade, Title, and Specials areas classes will have access to disinfectant spray.
- Teachers will spray each child's area and will wipe up or have students wipe up the spray as needed.

Staff

- Staff will be expected to sign in at the front office every morning to document that they have self-screened and are cleared to work.
