

Crawford County R-2 School District MOCAP Virtual Learning Application

Application Due Dates: All applications must be completed and submitted to the building principal at least 10 days prior to the start of the semester for the requested virtual course; new students must request within 5 days of enrollment.

Any K-12 student having been enrolled for at least one (1) semester immediately prior to enrolling in a public school and currently enrolled at Crawford County R-2 Schools may be eligible for participation in MOCAP at the district's expense.

Launch is the district's preferred and recommended provider.

Date: _____

Semester start date: _____

Student Name: _____

Age: _____

Birthdate: _____

Grade: _____

Prerequisite Assurances

(Parent or student must initial as confirmation.)

_____ Student was enrolled as a full-time student at a public school during the semester immediately prior to this request.

_____ Student and parents understand the eligibility limitations and requirements to participate in any school activities.

_____ Parents and/or legal guardians are aware of and support this request.

_____ If enrolling in more than two (2) virtual courses, an Individual Learning Plan is on file with the building guidance office.

_____ Parent and student have read and are aware of all MOCAP expectations and requirements posted within the MOCAP website and within the CCR2 student handbook.

_____ Student and parents recognize administration will evaluate and monitor course progress. Failure to make adequate progress could result in alteration or termination of the course.

_____ Student and parents understand that MOCAP participants are still required to participate in annual MAP and EOC spring assessments on campus. Failure to score proficient could result in removal from MOCAP.

_____ Student and parents understand limitations exist to eligibility and participation in extra-curricular and other school activities.

_____ In the event a program participant discontinues their enrollment or the district terminates the course offering, the district will also discontinue monthly payments made on the student's behalf to the virtual course provider.

_____ Student and parents recognize the school does not provide computers or digital equipment for virtual access.

_____ Student and parents have provided verification to technology that meets required minimum standards.

To better assist administration in making the best choice for your student, please respond to each question.

District Course Availability

1. If the course is offered onsite by the district, what are the extenuating circumstances that make it difficult or impossible for the student to take the onsite course already offered by the district?

2. If the course is offered onsite by the district and the student is able to take that course, what are the reasons the student wants to take the virtual course option?

Student Skills for Success

3. How has the student demonstrated time-management skills that indicated the student is capable of submitting assignments and completing course requirements without reminders?

Crawford County R-2 School District MOCAP Virtual Learning Application

4. How has the student demonstrated persistence in overcoming obstacles and a willingness to seek assistance when needed?

5. How has the student demonstrated verbal and written communication skills that would allow said student to succeed in a digital environment where access to the instructor can be limited?

6. Does the student have the necessary computer or technical skills to succeed in a virtual course? Please describe the identified skills.

7. Does the student have access to the required digital and network requirements? Please verify with specific technology specifications available.

Virtual Course Characteristics

8. How does the course meet or exceed district and state curriculum standards?

9. How does the course meet graduation requirements?

10. How does the course align with the student's career goals and four-year plan?
