Dr. Graves reviewed the revised re-entry plan. He and Mr. Earnhart will continue to re-evaluate as criteria changes.

- The board discussed wearing masks, hand washing, social distancing, and online learning.
- If there is a large number of students signed up for online classes, Mr. Earnhart may have to push back the start of school a week to give teachers time to prepare.
- There was a suggestion to get visuals out to the community so they can see how social distancing works in the cafeterias.

- The staff will follow the re-entry wellness guidelines.

Alternative Methods of Instruction (AMI) Plan

Mr. Earnhart reviewed the Alternative Methods of Instruction Plan.

- Dr. Siebert suggested releasing a video introducing the plan.
 - CDC and CCHD recommendations

Any alterations to the plan will be communicated to the board. The board appreciates the time and effort that Mr. Earnhart, Dr. Graves and our administration has put into creating these plans for our district.
