Layman**  
*Member*

**Carrie  
Myers**  
*Member*

**Cheri  
Schuette**  
*Member*

**Angela  
Jenkins**  
*Secretary*

Parents/Guardians:

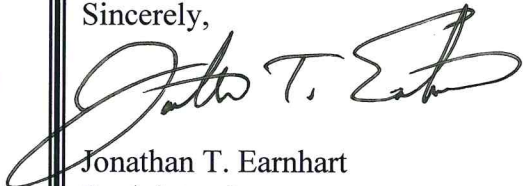

On Monday, October 30, Crawford County R-2 Schools will begin a new visitor check-in procedure continuing to ensure the safety and well-being of our students.

Below are the guidelines in place for all Cuba buildings:

- Each visitor will be required to scan a driver's license or state issued ID to receive a visitor badge for entry.
- This process will take place between 7:20 AM and 3:30 PM during typical student hours.
- Anyone wishing to go beyond the office area must follow this procedure. This includes walking students to class, eating lunch with your student, attending class parties, or meeting with teachers.

While change can be difficult and different at times, CCR2 administration appreciates your patience and understanding as we continue to prioritize student safety.

Sincerely,

Jonathan T. Earnhart  
Superintendent
