Adventure in My Own Backyard

Kindergarten “explorers” respond with fascination and wonder as they explore habitats typically found in their own backyard. Multi-sensory activities are used extensively, providing opportunities for meaningful engagement with the learning process. Students’ knowledge of the natural world is fostered along with concepts such as color and shape recognition, fine-motor development, and counting and sorting. This unit offers multi-level activities and is appropriate for districts with a wide variance in student population, including children with little or no previous school experience.

Kamp Kindergarten

In the afternoon portion of the Kindergarten day, students unpack their sleeping bags for a quiet time as they listen to nature sounds and engage in physical movement activities focused around the theme of camping. Students develop cooperation skills as they investigate manipulatives and games during Backpack Explorations. From creating s’mores to sharing campfire stories, young campers enjoy their stay at Kamp Kindergarten.
